SUMMARY

I am an enthusiastic and quick-learning full-stack developer (fresher) with hands-on experience in building modern web applications using Next.js, FastAPI, Docker, and cloud platforms like AWS. Strong foundation in both front-end and back-end development. Eager to contribute to real-world projects, grow in a collaborative environment, and deliver clean, reliable code.

WORK EXPERIENCE

Freelance FullStack Developer, Startup - Remote

Jan 2025 - Present

- Collaborated with a senior developer on real-world web app in NextJs(TailwindCSS + Typescript).
- Built and Deploy containerized-Docker- Python-ML based APIs Endpoints on serverless platform like Runpod.
- Managed development, staging and production environment using Git-based branching and cloud deployment platforms.
- Followed Agile workflow using jira to manage tasks, sprints and progress.
- Deploy web app on AWS Amplify.

Junior Machine Learning Engineer , Forstod-Remote internship

Feb 2023 - Nov 2024

- Contributed to a real-time singing voice conversion web app where users select a singer model, sing along with a karaoke video, and receive output in the selected singer's voice.
 - Developed the frontend using HTML, CSS, and JavaScript; integrated with a FastAPI backend
 - Deployed and managed the application on AWS EC2
 - Maintained user and session data on AWS DynamoDB; integrated Google Analytics for user behaviour tracking
-

EDUCATION

Master of Computer Applications

July 2023 - Jan 2025

Indira Gandhi National Open University

Bachelor of Science in Computer Science

Aug 2019 - Apr 2022

University Of Calicut

SKILLS

- **Programming languages:** Python, Typescript, HTML, CSS, Javascript
- **Frontend:** TailwindCSS, Next.js, React
- **DevOps & Deployment:** Docker, AWS Amplify, Runpod, Github Actions
- **Tools:** GitHub, Vim, VSCode, Jira
- **Practices:** Agile Workflow, Git version control, clean-code practice with pre-commit hooks
- **Concepts & Domains:** Full-Stack Integration, Containerization, Machine Learning Inference Pipelines, Web App Development
